

## *Moving Your Future Toward Paradoxical Success*

*1. Has what you've learned in this training already begun to expand your awareness of the presence of opposites?*

*2. How has this begun to change the way you:*

- *See things?*
- *Think about problems?*
- *Feel about your challenges?*
- *Relate to your heightened emotional charges on the issues in your life?*

*3. How do you imagine your life will be different as you continue to use the mystic's wisdom in your daily life:*

- *1 month after completing this training?*
- *3 months into the future?*
- *6 months into the future?*
- *1 year from now?*

*4. What has been the most useful thing you've learned?*

*5. What was the most profound insight you received that shifted & opened, or expanded, something new inside you?*

*6. How will this training shift your future understanding of success as irrevocably interconnected with the continued presence of failure?*

*7. How will this shift the way you relate to both success and failure as they enter and depart from your journey – again and again?*

*8. How has this training shifted your sense of identity?*

*9. Are you more in contact with the notion of having a dual identity engaging in every thought, word, and deed expressed through you?*

*10. Are you glad that you took this training? Do you feel it has changed something YOU consider to be important and relevant to your journey?*
