

*Love.*

*I am one with all things —*

*in beauty,*

*in ugliness,*

*for whatsoever is —*

*there I am.*

*Not only in virtue*

*but in sin too I am a partner,*

*and not only heaven*

*but hell too is mine.*

*Buddha, Jesus, Lao Tzu —*

*it is easy to be their heir,*

*but Genghis Kahn, Idi Amin, and Hitler?*

*They are also within me!*

*No, not half — I am the whole of mankind!*

*Whatsoever is man's is mine —*

*flowers and thorns,*

*darkness as well as light,*

*and if nectar is mine, whose is poison?*

*Nectar and poison — both are mine.*

*Whoever experiences this*

*I call religious,*

*for only the anguish of such experience*

*can revolutionize life on earth.*

*Osho*

*Eastern Mystic*
